PROFESSIONAL EXPERIENCE

- 2012 Washington University Teaching Assistant in Sculpture, St. Louis, MO
I currently work with junior and senior sculpture majors to develop a studio practice and a critical dialog surrounding their work. I schedule and perform studio visits, run critiques, and work with students on their artist statements.
- 2011-2012 Graduate Professional Council Social Vice President
- 2010-2011 Washington University Teaching Assistant in 3-Dimensional Design, St. Louis, MO
I worked with freshman art majors to expand their design skills and learn necessary tools including: table saw, chop saw, panel saw, scroll saw, belt and disc sander, spindle sander, and hand tools.
- 2011 Washington University Teaching Assistant in Metal Fabrications, St. Louis, MO
I assisted students and faculty in the metal shop to develop fabrication skills and use the metal shop equipment and tools including: MIG welder, angle grinder, belt and disc sanders, brake, buffer, chop saw, electric shearer, knife belt sander, nibbler, sheet metal foot shear, slip roller, and spot welder. I also wrote and designed the metal shop tool and safety guide.
- Murray State University Guest Critic, Murray, KY
I critiqued student work and performed studio visits.
- 2009 Charlotte Street Foundation Intern, Kansas City, MO
Assisted The Charlotte Street Foundation, a non-profit organization that supports local artists by setting up lighting and documenting exhibitions.
